## GRAND EVENTS Raise \$115 GRAND

Two fundraising events were held in October—the Grand Gathering and the Richard King III Grand Classic golf tournament. Proceeds from both events, totaling more than \$115,000, will benefit the Cancer Center Renewal and the Foundation's permanent endowment.

At the Grand Gathering, bestselling author and U.S. Navy SEAL Marcus Luttrell spoke to an audience of more than 450 guests, mesmerizing them with his remarkable stories of SEAL training and the ill-fated mission, *Operation Redwing*. His tale of survival left the audiences awed and inspired.

The 2009 Richard King III Grand Classic was played at the Corpus Christi Country Club on what was probably the best day of weather we have had this year. Golfers enjoyed a fabulous day of golf while taking a collective swing at cancer.
